

1 Unique identification code of the product-type

Portland composite cement NBN-EN 197-1:2011 CEM II/B-M

2 Identification of the construction product

See 1.

3 Intended use

Preparation of concrete, mortar grout and other mixes for construction and for the manufacture of construction products.

4 Name and contact address of the manufacturer

Heidelberg Materials Benelux NV/SA Parc de l'Alliance - Boulevard de France 3-5

1420 Braine-l'Alleud

5 Name and contact address of the authorised representative Not applicable

System of assessment and verification of constancy of performance

System 1+

Declaration of performance concerning a construction product covered by a harmonised standard Notified product certification body BE-CERT (NB 0965) performed the determination of the product-type on the basis of type testing (including sampling), the initial inspection of the manufacturing plant and of factory production control, the continuous surveillance, assessment and evaluation of factory production control and the audit-testing of samples taken before placing the product on the market under system 1+ and issued the certificate of constancy of performance.

8 Declared performance

Essential characteristics	Performance	Harmonised technical specification
Common cements (subfamilies), constituents and composition	CEM II/B-M	
Compressive strength, (early and standard)	32,5 N	
Initial setting time	Pass	
		NBN-EN 197-1:2011
Soundness		_
- Expansion - SO3 content	Pass Pass	
Chloride content	Pass	

The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 8. This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.

Braine-l'Alleud, 30-4-24
